The Navajo Nation

A Follow-Up Review of the Crystal Chapter Corrective Action Plan Implementation

Report No. 18-13 March 2018

Performed by: Karen Briscoe, Principal Auditor Myrtis Begay, Associate Auditor Office of the Auditor General The Navajo Nation

March 13, 2018

Raymond Tsosie, President **CRYSTAL CHAPTER** P.O. Box 775 Navajo, NM 87328

Dear Mr. Tsosie:

The Office of the Auditor General herewith transmits Audit Report No. 18-13, a Follow-up Review of the Crystal Chapter Corrective Action Plan Implementation. The follow-up was conducted in accordance with 12 Navajo Nation Code, Section 7, to determine the current status of the corrective action plan which was developed by the Crystal Chapter in response to the 2012 audit report no. 12-23. The audit report and the corrective action plan were approved by the Budget and Finance Committee on November 05, 2013, per resolution no. BFN-41-13.

We reviewed the Crystal Chapter's records for the six month period of April 1, 2017 to September 30, 2017. The audit scope covers the administration of the former Community Services Coordinator who resigned on December 08, 2017 and the former Chapter President who resigned on November 08, 2017. The chapter also did not have an Accounts Maintenance Specialist at the time of the review.

The corrective action plan listed 78 key corrective measures to address 23 audit issues. Of the 78 corrective measures, the Chapter implemented only 4 (or 5%) corrective measures. The Chapter did not implement 67 (or 86%) corrective measures and 7 (or 9%) could not be determined due to no activity. See attached Exhibit A for the detailed explanation of the follow-up results.

Conclusion

Title 12, Navajo Nation Code, Section 8, imposes upon the Crystal Chapter the duty to implement the corrective action plan according to the terms of the plan. The Chapter did not implement the corrective action plan. Therefore, 21 of the 23 issues reported in the 2012 audit remain unresolved. Consequently, the Office of the Auditor General recommends sanctions in accordance with 12 N.N.C. § 9 as follows: 9(b) withhold 10% of the chapter's operating budget and 9(c) withhold 20% of the Chapter Secretary/Treasurer and Vice-President stipends who failed to implement the corrective action plan. The Secretary/Treasurer has been an official since January 2005 and the Vice President since January 2017. The current Chapter President who was sworn in on February 20, 2018 is not recommended for sanction because he was not an official during our follow-up review. The auditors will revisit Crystal Chapter after February 2019 and based on the outcome of the revisit, sanctions relative to the Chapter President pursuant to § 9 (c) will be determined.

Sincerely,

Elizabeth Begay, CIA, CFE

Auditor General
